

FOCCHI

Monoshell Series

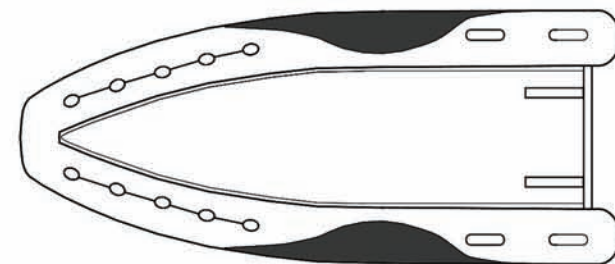

FOCCHI 620 open

Focchi Monoshell series are made of high quality Hypalon Neoprene coated fabric.

The Monoshell series is composed by row inflatable boats, monoshell, which can be used in racing competitions. The Racing boats, being very wide and spacious, can be easily used for working purposes, such as transport or fishing.

Warranty: 24 months

In order to offer a fully personalised product, dimension and weight can be discussed with the owner.
